**ACTION TAKEN REPORT ON FEEDBACK FOR THE ACADEMIC  
SESSION 2020-21**

Consolidated list of Suggestions received:

1. Soft Skill Classes should be involved in the semester.
2. If possible have more co-curricular activities
3. Alumni continue to seek their contributions
4. Opportunity to attend guest lectures on the emerging issue
5. More placement opportunities
6. Learning facility through LMS

Action Taken:

1. Soft skill classes like communicative English are introduced for students who are weak in English communication.
2. Curricular activities are now conducted every Saturday.
3. Alumni meetings are proposed twice in an academic year.
5. As students are facing network connectivity issues, that immediately can't be resolved, the faculty members are directed to record their classes and post them for future reference. Further, the faculty must provide handouts as much as possible for every topic.
