

**ACTION TAKEN REPORT ON FEEDBACK FOR THE ACADEMIC  
SESSION 2022-23**

**Consolidated list of Suggestions received:**

- More Industrial Visit
- Experiential Learning Through Practical Approach
- More Placement opportunities
- Internship support
- More games to be conducted
- College must have an auditorium
- PG courses must be available
- Transportation facilities needed form Mango Area, and Station Area
- Formal Parent teacher interaction
- College must start skill Enhancement courses

**Action Taken:**

- The principal of the college has given the responsibility to department coordinators to arrange industry visits for all the batches in all the semesters.
- The principal instructed all the faculty members to teach with innovative methods. The activity-based teaching-learning method was already introduced, but the principal suggested making it more rigorous.
- The placement teams have already initiated the process of connecting the industries for Internships and placements. A few MOUs are already signed.
- PG courses and an auditorium building are the future plans for the college which may not be initiated immediately. The College will utilize the Xavier's School Auditorium occasionally.

- The college has already communicated to the transport in charge Mr. Santosh. A connecting transport facility will be arranged by him soon.
- College had a tradition of conducting Parent's Day. Due to the pandemic, it was interrupted. The college decided to start it again.
